A Peace of Mind

From The President

What a week it has been! After a whirlwind visit, which included a pot luck dinner, meetings with the Board and other committees, and an open house, our ministerial candidate, Rev. Tom Schmidt, conducted the service on Sunday. A Congregational Meeting followed with an overwhelmingly positive vote to offer Tom a three year contract as UUFSA's first half-time minister! He has accepted and will begin working at our Fellowship in September.

These dates should be on your calendar:

Saturday, May 9th at 6:00 PM – A Celebration of Generosity Dinner

Sunday, May 17th – The Annual Congregational Meeting

And so after 29 years of UUFSA being a completely lay-lead congregation, we have chosen a new path. An exciting and challenging time awaits us. Drawing from the goals outlined in our Strategic Plan, Rev. Schmidt will assist us in working toward our deepest hopes and dreams. Welcome to our family, Tom!

Congratulations and thank you to the Ministerial Search Committee. Beverly Cree, Claudia Atkins, Cal Marshall and Barbara Battelle all deserve our deepest gratitude for the extensive work they did in recruiting Tom as our ministerial candidate. Their gift of time and energy is very much appreciated.

And another Congregational meeting is just around the corner! Please attend our Annual Meeting on Sunday, May 17th. We will be voting on the budget for FY 2016, as well as a new slate of Board officers. We will review the Third Sunday Share the Plate trial and hear from our Committee chairs. Members – let your voices be heard!

I would also like to thank Laura Cowart for introducing and leading the dance segments we have been treated to at our Sunday services. They have been a beautiful and refreshing change and I would like to extend kudos to all of the participants.

Finally, the Service Marketplace raised \$2030.00 for our Fellowship. Great work Elle Barry, who coordinated the entire happening! Thanks again to all of you who supported this effort. I hope that you are thoroughly enjoying your purchases.

***In Fellowship,
Cherie Dolgin, Board President***

Rev. Dr. Marlin Lavanhar on Video

This May we are pleased to present two video sermons from the Rev Dr Marlin Lavanhar, All Souls Unitarian Church Tulsa, Oklahoma.

Lavanhar is the senior pastor of the largest Unitarian Universalist Church in the United States. He grew up as a Unitarian Universalist in Illinois. He majored in Sociology at Tulane and graduated with his PhD from Harvard Divinity School. He is the youngest senior minister of a major congregation in the denomination. After receiving his bachelor's degree, he taught English and American Culture in Kyoto, Japan for two years. He followed that with a three year around the world bicycle trip, studying Buddhism in Asia, Hinduism in India, Jewish, Christian and Muslim traditions in Israel, and cycling through much of Asia, the Middle East, Eastern Europe and North America. Along the way he visited and wrote about Unitarian communities on the Island of Negros in the Philippines, the Khasi Hill in Northeast India, in Pakistan, Sri Lanka, the Czech Republic, Hungary and Rumania.

May 3 “The Temptation to be Good”

This sermon was delivered on Sunday, October 6, 2013, at All Souls Unitarian Church in Tulsa, Oklahoma. Few topics are as exciting or challenging for a theologian or philosopher. To reconcile the purpose of creation or the existence of God with the reality of evil is the challenge of every moral person. The temptation to be good, it seems, is often less powerful than the temptation to immorality in all its titillating and exhilarating forms.

May 24 “Our Evangelical Neighbors”

This sermon was delivered on Sunday, October 2011 at All Souls Unitarian Church in Tulsa Oklahoma, by Rev. Marlin Lavanhar, Senior Minister, and Rev. Bruce Hoppe, Associate Minister, Christ Community Church, Greeley, CO. Rev Lavanhar and Rev Bruce Hoppe dialogue about how people with very different theologies can build enduring and enriching relationships of respect and affection. A very moving dialogue and an important topic for our polarized times.

Sunday, May 10, 10:30 a.m.

“Complaining - we all do it. But is it beneficial?”

JoLaine Jones-Pokorney

How does it impact our lives and our happiness? Is it possible to be filled with complaints and be filled with gratitude at the same time? JoLaine explores the landscape of complaining and offers a vision of a complaint-free world.

JoLaine Jones-Pokorney has been a UU for 23 years and is a worship elder at the Unitarian Universalist Fellowship of Gainesville under whose auspices she officiates at weddings (Wow! I don't have to put in "ceremonies of union" anymore!), memorial services, child dedications, and other life events, as well as being on the worship team at UUFG. She is employed with the University of Florida in Academic Technology.

JoLaine and her husband Dave are avid contra dancers and JoLaine calls as well as dances. JoLaine is in Musica Vera, an early music consort playing "forgotten music on obsolete instruments," as well as playing and singing with the choir at UUFG.

Sunday, May 17, 10:30 a.m.

“How Big is an 18-Wheeler?”

Rev. Jack Ford

What an adventure I had last month! I took my motorcycle on a trip to the **UU Mountain Retreat and Learning Center** up in North Carolina on Easter weekend, to join with a group of volunteers – cleaning, painting, organizing the library, mulching the labyrinth, building signs, and many other activities to help maintain and improve the place for visitors who come. While I was there I preached the Sunday Easter sermon.

Along the journey, a number of strange and scary events took place that got me to thinking about the troubles that come our way and seem to run us over like some great big **semi** on the highway. My trip became a sort of reflection on that age-old question:

‘Why do bad things happen to good people?’ Or perhaps it was more a matter of ‘why do good things happen to bad people?’ Is fate just barreling down the highway or do we somehow play a role in all this drama?

The Rev. Jack Ford is a fellowshipped minister with the Unitarian Universalist Ministerial Association. He has been in UU ministry for 21 years serving in the Florida district. He is also a carpenter and a lover of nature. He was recently selected as minister of the Buckman Bridge UU Church.

Downstairs Dialogue

“Environmental Issues Update”

Sunday, May 10, 9:15-10:15am, Downstairs

This month’s Downstairs Dialogue will feature a leader of the Sierra Club in Florida, Tom Larson. His presentation will be an update on energy and environmental issues, with a focus on northeast Florida. He will talk about good things happening, political challenges in Tallahassee, in national politics and in the economy. Also, the opportunities for everybody to engage in support of advancing to an attainable and economical clean energy future. He looks forward to an active conversation and plenty of Q & A.

The Sierra Club is the largest environmental advocacy organization in the world, with over two million members. Tom joined the Club in 1994, and got involved in a member’s campaign for state Senate, later becoming Chair of the Northeast Florida Group in 2004. He has led the state Energy Committee for 7 years, and is currently Treasurer of Sierra Club Florida.

Presently, Tom works as a technical consultant for clients in energy policy, business planning and financial management. Following an earlier career principally as an executive in cargo transportation, he worked for the southern Alliance for Clean Energy from 2008 to 2014, doing energy policy research, analysis, and advocacy focused on Florida. Tom has a B.S. in Public Administration from Miami University of Ohio, and an M.B.A. from the University of Chicago. When hard to find, he may be off hiking or canoe paddling with his wife, Janet.

Denominational Report

At the District/Regional Assemblies held last month simultaneously in Orlando and three other regional cities, a historic vote was taken, in which the assembled delegates voted to dissolve the four District Boards, and consolidate their governance responsibilities into a single regional organization. Congregations in the Region will now be connected to the UUA Board of Trustees and UUA General Assembly through a team of UUA staff persons distributed throughout the region. The Regional staff team will be led by Rev. Kenn Hurto, Team Lead; and our primary contact staff person will be Maggie Lovins, as in the past. She is based in Pensacola.

UUA President Rev. Peter Morales, who was with us in Orlando, addressed the regional delegates electronically prior to the vote, and he was visibly pleased when the final favorable results from all locations were reported. Charlie West and Beverly Cree represented UUFSa as delegates, and were pleased to get a chance to meet our UUA President.

In the afternoon workshops, Charlie attended the annual meeting of UU Justice Florida, where we voted on new board members, and core issues to be worked on in the coming year. Also, a second workshop on environmental justice presented by the Chair of UU Ministry for Earth. Beverly attended a workshop on Mid-Week Programming, and an interactive experience entitled “Be The Change Activist Dinner Party”. For more information on these workshops or the Assembly in general, contact Charlie or Beverly.

Later in the year, UUA General Assembly will be held in Portland, OR, as previously announced. At press time, no one has expressed interest in serving as a delegate. Any UUFSa member so interested should contact Cherie Dolgin or Charlie West. More information is available at www.uua.org/ga

Lifelong Learning

Youth Program

Teen Program

We are very disappointed to have needed to postpone the teen Conference (CON) with neighboring congregations. The combination of severe weather predictions and plans for walking the Civil Rights Freedom Trail made it prudent to change our plans. Please stay tuned, and hopefully some of you can join us for future events.

May 17 – the teen-created video about living the UU Principles will be shown during the service. This short video reflects our teen's understanding of the benefits and challenges of living the UU Principles.

Middle Group

For Earth Day, we discussed the significance of this day celebrated around the world, and we played drums and sang “The Earth is Our Mother.” In our garden, we got water from the rain barrel for planting the sunflower garden along the sidewalk. We also checked out the Seminole pumpkins recently planted by Nana Royer and added kitchen scraps to the compost bin. Thank you Stephen Ocean for bringing the sunflowers and helping us with this class as we explored our interdependent web.

Looking Ahead -- During May, plans include exploring World Peace Day, the origin of Mother's Day; the Whitney Marine Science mobile lab will be here for a class adventure; and an Islamic woman will join our classes to discuss the Muslim beliefs and traditions. To complete our program year of exploring world religions, during June the children will be involved in considering why religion is part of the lives of people around the world, and what they might include in a religion they would plan. These are huge questions, and we are not expecting an “answer.” The focus is on asking and considering the questions.

Supporting Our Program for Children and Youth

It takes a village and as we include more children in our village, we need more adults to help with the inspiring discussions and activities. Our two teachers are Flagler students, and are gone for summer break. Please talk with Beverly about ways you could be involved with our amazing young people. Your support will be appreciated – it could be one Sunday or more, let's consider the possibilities.

Great Decisions

“Africa”

Monday May 4, 7:00 p.m.

On Monday May 4, the Great Decisions group discussion will be on Africa: a continent in unprecedented transformation and tragedy.

The continent is home to some of the fastest growing economies in the world, and it's become a draw for foreign investors from across the globe. After the “Obamamania” of 2008 died down, though, the realization that Obama wasn't going to overturn, or even prioritize, U.S. Africa policy kicked in. Still, the U.S. has promised to promote “strong institutions, not strong men,” and to favor good governance and healthy economies over profit. How can U.S. policy live up to its promise and values while securing its interests in the region?

June's Great Decision topic will be on Syria's Refugee Crisis

Please join us. Guests are welcome!! The Great Decisions group meets the first Monday of every month.

For more information, contact **Yosi** (461 3175 or jomcintire@bellsouth.net).

Environmental Action Team Field Trip

Let's go to the Zoo! Planned is a trip to the Jacksonville Zoo on **Friday, May 22, 9 am**. The group rate of \$13.95 per person is available if at least 15 people pay one week in advance. Those who saw the film "The Bonobo Connection" know how interesting is this great ape. The Jacksonville Zoo is one of the few zoos in the country who have a bonobo exhibit. If you did not see the film and would like to, we now own it and it can be loaned out. Let me know and I'll make a list of those who would like to borrow the film, as well as those who would like to commit to visiting the zoo. Its botanical gardens are also renowned. We could talk about bringing our lunch and perhaps eating on the grounds. We will plan to car pool once we have a head count.

St. Johns Food Pantry

THE FOOD PANTRY WELCOMES APRIL SHOWERS

I hope you are enjoying this Spring weather. The April showers do not disappoint and it seems to get greener around town every day. The Food Pantry welcomes your continuing showers of blessings with food and cash donations. Your sharing with them is a true gift for those who need help in feeding themselves and their families. The increase in homeless families with children rose dramatically in the last few years so the need for help has increased proportionately. The Pantry fed 281 families in March, an increase of 50 more over February. It helped 423 adults, 267 children with 423 bags or 10,152 meals. In contrast, in February it was 7,824 meals. These figures dramatize the need for The UUFSA's ongoing generosity.

Cash still rules because it helps the purchase of foods that are needed to ensure balanced nutrition. You can give your cash donation or check made out to the UUFSA with a note that it is for the Food Pantry, to Ruth Weber, UUFSA Treasurer and she will donate it to the Food Pantry on your behalf. You can also use PayPal. This extra step documents UUFSA generosity on our own records. You can also make a donation with a gift card.

The Pantry will appreciate your continuing to provide items like canned meat, cereal, pasta/sauce, dried beans, rice, and soup, to help replace donations no longer coming from Nourishment Network. Peanut butter is plentiful at the moment; however, jam and jellies to top the peanut butter are welcome. All kids seem to love peanut butter, from three to a hundred.

Our generous volunteers this month for UUFSA include John Porter, Lou and Jill Cerulli (both dates!), Lenny Gemski, and Guy Reid. Cal Marshall and Pat Maguire also continue to be food shoppers for The Pantry whenever there is a fifth week in the month. Have you noticed that the nicest people always seem to be the ones who make those showers happen when they are needed. Thanks to all of our volunteers and to all of you who contribute food and/or money to help sustain this critical outreach program.

We welcome more volunteers. If you are interested shoot me an e-mail at watashiwasan@aol.com.
